As regards 1), Amildar's enquiry shows that Mohadeen Hussain Khan protests the claim of his brother for a share in the pension on the ground of (i) poverty (ii) his own family being very large & (iii) his brother being a man of large property, with sons as Govt servants & Agriculturists & that he would accept Gouse uddin's claim on production of documentary evidence.

11. When the pension was fixed at Rs 22-8-0 on the death of their father in May 1891, both the brothers & no others were parties & the benefit of the family' for which the pension was granted means that of the family of the deceased, of which both Mohadeen Hussain & Gouse Uddin are representives as being the sons of the deceased. ENCL No. 1

Dear Sir,

The petitioner Gouse Hussain Khan Chowdry begs permission to state as follows:-

That the petitioner and his elder brother Mohidin Hussain Khan Chowdry are the sons of one Gulam Mohamed Chowdry, a "Mutaforekhat" pensioner of Nellamangala Taluq. On the death of the father, the petitioner and his brother petitioned on 8/12/1891, to the government, praying for the sanction of their father's pension in their names. A sum of 22/8 was sanctioned in the name of Mohidin Hussain Khan, as being the eldest of the members of the family of Gulam Mohamed Chowdry for the benefit of the whole family (vide endorsement no $\frac{2150}{97}$ of 19/2/92).

That in pursuance of this order, the said Mohidin Hussain Khan used to draw the pension and pay the petitioner 11/4, as his share of the pension for the past 11 or 12 years. About a year or two back he lost his sight and became completely blind. The pension has drawn in his name by his youngest son, and half of it has as usual been handed over every month to the petitioner till even so late as September last. But the son has taken

into his head to molest the petitioner, by withdrawing the payment of his quota, of the pension and if that the petitioner hears is true, has even presented an application to the Government, to get the pension transferring in his own name, and thus depriving the petitioner of the support required for the maintenance of his family.

It is therefore fervently prayed, that since the petitioner is a person, having sons, grand children and a widow daughter in law, depending upon him for their maintenance, the Govt may be pleased to split the pension into 2 parts, one to be taken by each brother or in the alternative, to allow the petitioner to draw the pension, as his elder brother is incapacitated from moving, on his undertaking to pay 1/4 of the pension, to his brother as was being done in the past.

Praying for your Honours' long life and prosperous Career

Sir,

With reference to your Memo No. H 2870/ H 248-13-3 dated 5th July 1914 forwarding for enquiry and report the petitions received from Yousuddin Hussain Khan Chowdri and Mohiadin Hussainkhan Chowdri of Nelamangala annt the Muttarkhat pension of Rs 22.8.0, I have the honor to state that it is ascertained that monthly pension of Rs 22-8-0 was sanctioned in the name of Mohiden Hussain Khan Chowdri, eldest son of Gulam Mohamed Chowdri on the death of the latter for the benefit of the family, vide Copy of Endorsement No. 2150/97 dated 19th February 1892 enclosed in the Vernacular file submitted herewith.

2. It is also reported that this pensioner was paying to his brother Yousiuddin Hussain Khan Chowdri his quota of pension viz Rs 11.4-0

up to October 1913 and, in November 1913 he ceased doing so. Thereupon the said Syed Muzaffar Hussain Khan petitioned the Amildar, Nilmangala Taluk, praying for the division of the pension and for stopping the payment of the pension to his brother until this question was finally decided. The Amildar suspended the payment of pension, summoned the pensioner and took down his statement, in which he says that being poor he cannot continue payment to his brother, the petitioner

3. It is seen from the endorsement that the pension was granted for the benefit of any of the family and consequently both the brothers seem to have equal ~~rights~~ right to it. Mohadin Hussain Khan's refusal to pay to his brother his share of pension on the score poverty seems to be unreasonable.
